

ARROW BOARD TRAILER

TMAB-C

OPTRAFFIC's **Arrow Board Trailer** is a traffic safety device containing multiple flashing arrow sign options and is manufactured by an **ISO9001-certified** operations facility. The Arrow Board Trailer is used for a variety of areas requiring traffic management solutions such as work zones and mining sites. It is capable of showing bright flashing arrows, caution bars, advanced warning signals, and directional instructions.

SKU 33113311
